

The heatmap displays the distribution of 10 categories across the days of the week. The categories are represented by colors: dark blue, light blue, yellow, orange, red, green, purple, brown, grey, and black. The days of the week are listed on the x-axis: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. The heatmap shows various patterns of distribution, with some categories appearing more frequently on certain days.
